COVID-19 Update # 6

Dear Community Members,

COVID-19 IS WITHIN OUR COMMUNITY. With four confirmed cases already reported within our community in less than a week, we should all be aware that this virus could be DEADLY and will continue to grow EXPONENTIALLY unless we take drastic measures now to stop its spread.

We implore to all, brothers, sisters, fathers and mothers to take this matter seriously and self-quarantine for the next 14 days beginning today.

The odds are high that many of us are infected and are not yet aware. Without social distancing we will infect others and some amongst us will simply not be able to fight this virus.

What each and every one of us does in the upcoming two weeks will have a powerful impact for our community and future.

Please understand that what we do affects **ALL** of us. We know the idea of quarantine sounds awfully extreme and even unimaginable to some, but the alternatives are unfortunately far worse.

Please act responsibly, **STAY HOME** and **SAVE A LIFE**.
